Palmetto Bible Camp is established so kids in the Southeast can spend a week at summer Bible camp.

The history of PBC is a story of how the plans of the LORD and the purposes of His heart have stood firm through the generations. Yes, the grand children of the founders now serve as staff and board members, their great-grand children attend as campers, along with kids from every state in the Southeast.

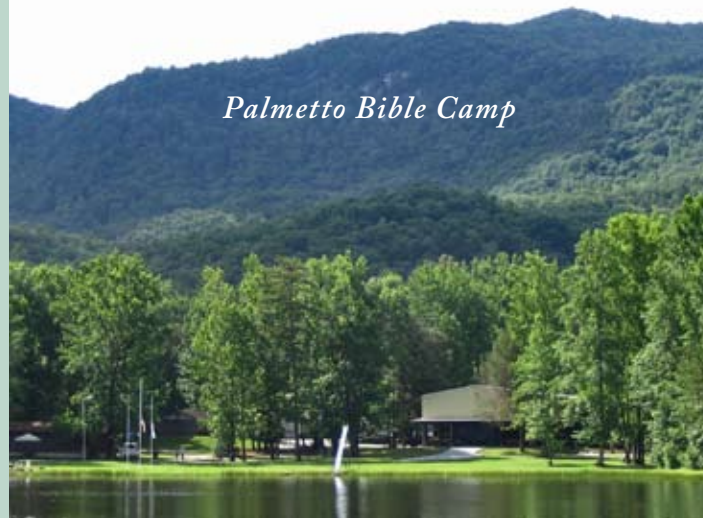

Since our first encampment in 1967, PBC has served over 20,000 campers, thousands of adult staff, and more blessings than one could ask or imagine. We've moved from a rented state park...to our own camp in the foothills of the Blue Ridge Mountains.

Remember that the heart of camp is the campers. Our mission is to teach and nurture them. We pray that each one has received a good spiritual foundation in their lives from a week at PBC. Many campers have stated that Palmetto Bible Camp has had a profound influence in their lives, their families and their faith. That is what PBC is about!

Palmetto Bible Camp will celebrate 40 years of Christian camping.

In honor of these 40 years (and in the hope of 40 more), the PBC40 is a fund raising initiative asking you to give \$40.00 to Palmetto Bible Camp. Former campers and staff, each weekly staff, parents of current campers, and families who have been blessed by being a part of PBC are especially asked to consider this gift.

The funds given will be used for building expansion, upgrades, and the maintenance of existing facilities along with camp administration and marketing.

Whether a one time gift, a yearly donation, or if you are financially able to contribute \$40.00 quarterly or monthly, your contribution will provide the financial support...so kids in the Southeast can spend a week at summer Bible camp.

Thank You!
